Lake Louise
2017

Raise a glass at our celebration of culinary excellence and newfound friendships. Our annual Wine Summit Lake Louise is unlike anything you've ever experienced – anywhere.

George and André Schwarz, owners of the Relais & Châteaux Post Hotel & Spa, invite you to a remarkable gathering: the **Thirteenth Annual Wine Summit Lake Louise**, June 1st to June 4th 2017, in Banff National Park.

We proudly present the best of the best in food, wine and surroundings. The wine is legendary. **The food is unforgettable.** The setting, friendly and relaxed. This is an event that can only be hosted by the Post Hotel.

Past guests and presenters describe the Wine Summit Lake Louise as "*simply amazing*," "*unbelievable*," and "*the greatest*."

Maison Louis Latour

This year, the Post Hotel & Spa is pleased to welcome:

- **Château Angéus** – for the past eight generations, Château Angéus has been the work and passion of the de Boüard de Laforest family. Acknowledged worldwide as one of the flagships of Saint-Emilion, this estate, along with their group of other wineries, personifies the family's pursuit of excellence and great respect for tradition.

- **Castello Banfi** – is a family-owned vineyard estate and winery located in the Brunello region of Tuscany. This award-winning estate was founded on the philosophy of blending tradition with innovation, and is recognized as a pioneer in elevating the standards of Italian winemaking.

- **Leeuwin Estate** – was established in 1974 and is one of the founding wineries of the famous Margaret River district of Western Australia. The estate is known for consistently producing wines of complexity, balance and longevity - wines that rank amongst the world's finest.

- **Paul Jaboulet Aîné** – for almost two centuries, this family has shared a common passion for the Rhône Valley, its history and its terroir. The enduring quality of their wines is a result of the esteemed people, the vines and the masterful art of vinification.

- **Maison Louis Latour** – has been family owned and operated since 1797, crafting fine wines in Burgundy under the leadership of seven generations of Louis Latours. With a reputation for quality, innovation and tradition, this estate is recognized worldwide for their outstanding Pinot Noir and Chardonnay.

- **Weingut Bründlmayer** – is located in the Langenlois, 70 km northwest of Vienna. The 125 acres of terraced vineyards are set above the Danube and, since 1980, Willi Bründlmayer has transformed the estate into a beacon for Austrian wine and one of the world's top white wine growers.

- **Black River Caviar** – welcome to the world of caviar and the first and only caviar brand in the Southern Hemisphere. Produced from 'wild raised' Siberian sturgeon – originally imported as fertilized roe from Russia in 1995. It is amongst the finest caviar in the world. The best way to enjoy caviar – pair it with **Taittinger Comtes de Champagne**.
